Adrianna Springs
Imprex Private Limited

Cardamom

The cardamom is widely used spice in Asian continent for its renowned flavour and aroma. Adrianna Springs Impex is one of the leading cardamom exporters in India. We are the company that pays topmost importance to the quality at the reliable price.

Black Pepper

The black pepper seeds are directly procured from the farmers dried, Graded based on the size and garbled to have the highest desired quality. The skill of our team from production to packing is reflected back as the leading Indian black pepper exporter.

Cumin

Owing to the best practices from procuring to the final delivery, we at Adrianna Springs Impex has imprinted ourselves as one of the distinguished suppliers by keeping in phase with the never-ending demand of our client.

Red Chilli

Red Chilli is an indispensable condiment of every Indian household. It is used in the daily diet in one form or the other. It is a rich source of vitamin A and C with good medicinal properties. Chilli has two important constituents. Red colour due to the pigment capsanthin Pungency attributed to capsaicin

Turmeric Finger

Turmeric is the native crop of south Asia. India produces almost 80% of the total world's production. Enriched by our vast agricultural experience and industry knowledge, Adrianna Springs Impex has been established itself as one of the leading Turmeric Exporters in India.

Cashew Nut

India exports about 90 percent of the processed cashew nuts to other countries. Panruti, which accounts for more than 40 percent of the production of the raw nuts and about 85-95 percent of the total export of cashew kernels from the country has a near monopoly over the industry.
